As an added benefit to families in our practice, Annapolis Pediatrics is excited to announce new all day Walk-in Visits

Monday - Friday from 7:30am - 4:30pm

Starting May 1st only at our Annapolis location

These visits are for illnesses that require a brief visit, such as ear checks or routine respiratory illness (stuffy noses, sore throats, coughs).

To take advantage of our walk-in visits, simply bring your child to the Annapolis Office and sign in to see the next available provider.
